MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

AUGUST 3, 2004

On July 26, 2004, a bison bull was found dead at William S. Hart Regional Park. Evidence indicates possible foul play may have been involved and that the bull did not die of natural causes.

I, THEREFORE, MOVE that this Board direct the Department of Parks and Recreation, the Office of Public Safety, the Department of Animal Care and Control, and the Sheriffs Department to work in conjunction with the Auditor Controller to conduct a full investigation of the facts surrounding the death of the bison bull and report back to this Board in one week.
